## Board Responsibilities:

Spring Fling

## Work History:

I worked in Victoria, Australia as a senior executive in both the health and disability fields which have included both public and private companies.

My roles included working with a range of non government and for profit organisations to increase the range of services for clients.

I was involved with the development of new models of service delivery and the successful transition of government policy into service delivery, working with a wide range of service users and staff to ensure the services are high quality and meet the needs of clients.

I was active in establishing and fostering networks with government, business and community organisations to improve services and most recently I worked for Multiple Sclerosis Limited and then Mind Australia which is a community mental health service.
