

Come and enjoy a day at the spectacular 6 star award winning Broadfield Garden. The plantings in the 3 hectare gardens are divided into rooms, each telling a different story

There will be over 50 stallholders showcasing their products and food and wine will be available.

During the day there will be organised tours of the garden, live music, a silent auction, raffles and guest speakers offering workshops.

Join us and celebrate the 10th anniversary of the Spring Fling, a fundraiser for the Lincoln & Districts Community Care Assn that supports many people throughout the Selwyn district.
